

Täby Sim is looking for a Swimming Coach for the Senior / Junior department!

*Täby Sim has 2,500 members and today conducts its main activities in Tibblebadet and during the summer also in Norskogsbadet and Kvarnbadet. Ahead of the long-awaited move of the business to the new swimming pool in Täby, we are investing in our competitive swimming and are now looking for a responsible swimming coach for our SM / JSM Swimmers.*

We are looking for someone who want to be part of our journey and who really like working with swimming at a high level.

The Senior / Junior area includes our swimmers 17 years and older who you work with in teams with other competition coaches.

In the role of Senior / junior coach, you become an ambassador and role model in and for Täby Sim. It is important that you, like us, thrive and are motivated by being at the forefront and looking for new paths for development for you and our swimmers. Your main tasks will be:

- Liable swimming coach for our senior and junior swimmers
- You are expected to have ideas and strategies that develop and facilitate learning for our swimmers and other leaders in the coaching team.
- Contribute in guiding and developing the club's coaching staff
- In consultation with the head coach, annually draw up the business plan and budget.
- Responsibility for planning, implementation, follow-up and administration for our SM/JSM group and DM group.

### **Education and experience**

- You have a strong commitment and great interest in swimming and people
- We are looking for you who have a academic education in sports and / or swimming
- You are interested in swimming, have a very good ability to see the individual and the whole group and can lift each swimmer to their optimal level
- You already have experience of swimming and swimming training nationally, but preferably internationally
- You have had top national results, been happy to develop swimmers in several levels as a whole and have had swimmers from national to international level
- You have a strong commitment and great interest in swimming and people
- You possess high intra- and interpersonal skills

- We believe that you should have experience from association activities
- As a coach you are kind, helpful, caring and like to work in teams.
- If you are an international coach, speak good English and have an interest in learning Swedish within 1-2 years
- You have knowledge and experience of systematic training planning, test methods and users of technical equipment such as video and lactate
- Driving license B is a requirement
- It is a requirement that you can speak and write in both Swedish and English
- Good computer skills and knowledge of Office (word, excel etc.) are necessary to be able to perform the tasks of the day.

### **Who are we looking for**

We are now looking for you who have a burning interest in swimming, to lead and develop our competition swimmers towards their own and the club's goals, and that you want to be involved and contribute to Täby Sim taking the step to become one of the country's best swimming clubs also at senior level.

As a trainer in our competition activities, you work with developing, planning, implementing and following up swimmers and the activities. The work takes place in an unpretentious collaboration with the rest of the coaching team and our head coach.

### **Who are we**

Täby Sim is a large club with wonderful swimmers, coaches and many committed parents who are involved in the business, for example around our competitions as officials, riggers, in the secretariat, in the club shop, coaches etc. We are currently 7 people working full time in the office and who are now looking forward to having a new colleague in the important role as the coach for SM / JSM.

### **The position as SM / JSM coach is 100% permanent employment.**

The working hours are when our business is up and running, which largely means evenings and weekends. Täby Sim is affiliated with Arbetsgivaralliansen.
